## ***Buy American Act***

***The Buy American Act imposes a two-part test:***

- (1) The end-product must be manufactured in the United States, and
- (2) More than 50 percent of the cost of all the component parts must also be manufactured in the United States.

If a product meets this two-part test, then a product can be considered a "domestic end product" under the Buy American Act.

***Statement:***

- (1) High Sierra Showerheads® manufactures its end-products in the United States.
- (2) More than 50 percent of the cost of all High Sierra Showerheads® components are manufactured in the United States.
