NOTES

- ① Stronger and Longer Lasting than Plastic Holders: won't Crack, Loosen, or Break Over Time.
- ② Designed so the Weight of the Handheld will not Affect the Angle. No Drooping or Slipping.
- ③ All metal Lead-Free Brass Construction. Matte Black Plated. Wt.: .6 lbs.
- ④ Installs Directly onto your Shower Arm at the Connection Point; Connects to 45° Shower Arms Only. Fits Standard 1/2" NPS Thread and Hose Diameters up to 9/16" for a Secure, Leak-Free Setup . No Teflon Tape Required.
